Commissioner Artz Awarded Small County Scholarships

Crawfordville, Florida – Commissioner Lynn Artz, District 5, is working toward the certification for County Commissioners that is offered by the Florida Association of Counties (FAC). Commissioner Lynn Artz will attend two certification Workshops in Tallahassee this week. One Course will focus on “Growth Management & Land Use Decisions” and the other will be a review of “Ethics, Public Records & Sunshine Laws”. “I want to be the best Commissioner I can be,” said Artz. The certification requires attending 42 hours of educational workshops and conferences held throughout the year.

Commissioner Artz has been awarded Small County Scholarships for both courses which are available from small counties with a population less than 75,000, on a first come first serve basis. Each scholarship covers the full cost of the course, which is \$125. “I’m not only delighted to receive two scholarships and save \$250, but I also look forward to gaining useful information to become more informed,” said Commissioner Artz.
